Mr. Brian V. Kinney
Chief, Declassification and
Historical Research Branch
Records Management Division
Washington Headquarters Services
Department of Defense
Room 1D517, Pentagon
Washington, D.C. 20301

Dear Mr. Kinney:

Your memorandum of 1 February 1984 forwarded to us for classification review four items consisting of notes made from OSD records during research for the memoirs of Paul H. Nitze. The four items are:

1. Nitze Notes, HR-Nitze-133 (TS), from document dated 29 March 1968;
2. Nitze Notes, HR-Nitze-126 (C), from document dated 29 December 1967;
3. Nitze Notes, HR-Nitze-141 (TS), from document dated 22 August 1968;
4. Nitze Notes, HR-Nitze-164 (TS), from document dated "'68 SD File," re meeting of 22 August 1968.

We reviewed these notes and have no objection to their release for use in Mr. Nitze's book. We would like to confirm, however, that in accordance with your procedures we shall be permitted to conduct a final security review of Mr. Nitze's manuscript prior to submission for publication. Your copies of the notes are returned herewith as requested. We have added our classification review stamp showing our action.

Sincerely,

Chief, Classification Review Division
Office of Information Services
Directorate of Administration

Sec. 1.3 Classification Categories

(a) Information shall be considered for classification if it concerns:

- (1) military plans, weapons, or operations;
 - (2) the vulnerabilities or capabilities of systems, installations, projects, or plans relating to the national security;
 - (3) foreign government information;
 - (4) intelligence activities (including special activities), or intelligence sources or methods;
 - (5) foreign relations or foreign activities of the United States;
 - (6) scientific, technological, or economic matters relating to the national security;
 - (7) United States Government programs for safeguarding nuclear materials or facilities;
 - (8) cryptology;
 - (9) a confidential source; or
 - (10) other categories of information that are related to the national security and that require protection against unauthorized disclosure as determined by the President or by agency heads or other officials who have been delegated original classification authority by the President. Any determination made under this subsection shall be reported promptly to the Director of the Information Security Oversight Office.
- (b) Information that is determined to concern one or more of the categories in Section 1.3(a) shall be classified when an original classification authority also determines that its unauthorized disclosure, either by itself or in the context of other information, reasonably could be expected to cause damage to the national security.
- (c) Unauthorized disclosure of foreign government information, the identity of a confidential foreign source, or intelligence sources or methods is presumed to cause damage to the national security.
- (d) Information classified in accordance with Section 1.3 shall not be declassified automatically as a result of any unofficial publication or inadvertent or unauthorized disclosure in the United States or abroad of identical or similar information.
